COVID-19 UPDATE – LINCOLN COUNTY, NC

Lincolnton, NC – The Lincoln County Health Department releases the current data for Covid-19 cases for the county. This information is current as of the date of this release and may have some differences with the state's Dashboard due to delays in data entry or undetermined designations for some data areas. To date, Covid-19 cases for Lincoln County are:

- Active Cases – 125
- Recovered Cases – 9,670
- Deaths – 88

In regards to identified deaths for Lincoln County, 36 are related to congregate care facilities. The death total has been adjusted to reflect changes due to clearing an individual who was not a resident of Lincoln County.

As a reminder, the number of active cases reported on Tuesdays include new cases received over a four day period.

Continuance of control measures around the "3 W's" is strongly encouraged to reduce the risk of transmission within our community.
